I didn’t KNOW...

...ATVs roll over easily
...ATVs are not meant for passengers
...ATVs can weigh up to 800 lbs.

In the U.S. about 40,000 children under the age of 16 are treated in emergency departments for ATV-related injuries each year.

ATV riding is not child’s play.

The American Academy of Pediatrics recommends that children under 16 years of age NOT operate ATVs.
